

# Reynolds Family Winery

Persistence

Napa Valley

2002

Reynolds Family Winery is located at the southern tip of the Stags Leap District in the Napa Valley on the scenic Silverado Trail. Owned and operated by Steve and Suzie Reynolds, the winery is dedicated to limited production of hand crafted Napa Valley wines. The yellow mustard flower on the label is a symbol of the Napa Valley and the distinctive growing seasons in the vineyards.

Persistence represents not only the patience and restraint engaged when working with such beautifully selected Napa Valley fruit, but also the journey one takes to becoming one of the premier winemakers in the Napa Valley. Steve Reynolds followed his dream by turning an old farming property into one of Napa's newest stars. Alone, Steve and Suzie developed a beautiful and inviting winery and meticulous vineyards with the hope to share it with those who appreciate everything Napa has to offer. Steve has a focus of nurturing the fruit to its fullest potential while continually employing farming practices that will help sustain the vineyard for years to come. Creating such an intriguing, integrated and intense wine takes Persistence.

The 2002 vintage is the second release of Persistence for Reynolds Family Winery. Persistence is the most complex, and structured wine yet produced and showcases seven clones of Cabernet Sauvignon from four vineyards in different appellations of the Napa Valley. The diverse selection of clones within the varietals lends to a symphony of flavors that can only be achieved through complex blending. Persistence is composed of Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot and Syrah. The wine begins with an intense fruitful nose with aromas of dark berries, tobacco and spice. The smoothly integrated tannins allow for a lengthy, supple and velvety finish.
