As an introduction, let us use the words from a US customer's Newsletter concerning **Château des CEDRES** Bordeaux Rouge: *"Hooray for the return of Bordeaux I can get excited about."* Then, the full comment continued about the desire of having a real, attractive Bordeaux, with terroir expression, at an affordable price, just because *"a good Red Bordeaux on a cold winter night is one of life's real pleasures."* What else should we add, except that it is exactly what we liked from the first time we tasted the wines from **Serge LARROQUE**. They continue to provide us the same pleasure with an unmatched "Bordeaux expression," a traditional attractive label, and great value, from one vintage to another.

The total 35-hectares vineyard of **Château des CEDRES** is situated in Paillet in the hearth of the 1^{eres} Cotes de Bordeaux and Cadillac Appellations. With an incredible and unobstructed view on the Garonne Valley at more than 120 meters altitude, the 86.45-acres vines have an exceptional exposure and natural draining. Cultivated following the **Sustainable Agriculture practices** for more than ten years, **Château des CEDRES** produces very expressive Red Bordeaux, 1^{eres} Cotes de Bordeaux, and also sweet white Cadillac Appellation wines.

HIGHLIGHTS

Terroir: Limestone-clay, gravels.

Characteristics: 2007 Château des CEDRES

Very constant; soft smoked and spicy notes, dominated by prunes and candied ripe red fruits. Tasty and full-bodied, showing toasted notes with this 2007. Already generous and balanced. Even more than you can expect from a Bordeaux of such a value!

Others: Château des CEDRES also produces some *Bordeaux White & Bordeaux Rosé*.

Don't miss the **Château des CEDRES 1eres Cotes de Bordeaux Cuvée Prestige** aged in oak barrels.

Available on three contents, the Red Bordeaux from **Château des CEDRES** offers a very attractive color, structure, harmony, and elegance for an unbeatable price.

Humble, **Serge LARROQUE** will tell that he does "nothing special" and that everything comes from the terroir... We are not sure, as nothing comes by chance, and Serge is a very hard worker, taking great care of every step. **Château des CEDRES** became a Best Seller that "sells by itself" for us... so it might be as easy for you!
